Internship Program
During winter and summer, we run various internship sessions aiming to attract the right talent for our Trainee Program. The internship program is designed to provide law students in their penultimate year of university with a window into Sidley’s practice and culture.

As an intern, you will meet lawyers from different practice groups and participate in activities that will broaden your understanding of the work we do in Hong Kong and firmwide. Through hands-on participation, you will observe how Sidley lawyers help solve problems and create opportunities for our clients.

How to Apply
Applications for the 2022 Summer Internship should be completed online by January 31, 2022. Please click [here](#) to apply. If you have any questions, please contact [hkgraduaterecruitment@sidley.com](mailto:). [here](#)
