WHERE **BRIGHT** MINDS MEET

INFORMATION SESSION AT THE UNIVERSITY OF HONG KONG

At Clifford Chance, we know that global reach is about so much more than where we are. It's the way we work beyond borders. It's our ability to collaborate, share ideas, knowledge, and expertise. It's the opportunity to explore new ways of working. Our collegiate, team-based approach to work allows us to make this happen. United as one firm, we each bring different perspectives and new capabilities, but we all share the same values and vision: to be the global law firm of choice for the world's leading businesses of today and tomorrow.

Join this session to find out more about the firm and how to apply for our opportunities in Hong Kong.

We look forward to seeing you there.
