Trainee Opportunities at Karas So LLP

Karas So LLP's Disputes and Investigations practice focuses on high value, complex issues including those arising from commercial litigation and arbitration, corporate collapses, audit and other professional negligence, shareholder disputes and commercial fraud. We also advise on private client disputes, drawing on Mishcon de Reya's expertise in wealth, tax and succession planning, probate, art and luxury assets, immigration, and family office matters.

We are currently recruiting trainee solicitors for 2026, 2027 and 2028.

We are looking for forward-thinking, driven students who have a keen interest in litigation. Many of our senior lawyers are solicitor advocates with rights of audience before the High Court of Hong Kong.

Please join our trainee recruitment event to get to know more about our firm and application process and meet some of our Hong Kong team.
