23 September 2026

Discover what it's like to be part of our firm! The event will feature an insightful presentation followed by a networking session with our trainees and lawyers. This is a fantastic opportunity for students to get a glimpse into our firm's culture, connect with our lawyers and learn more about our internship and training contract programmes.

Register by scanning the QR code. A confirmation email will be sent to successful registrants before the event.

We look forward to welcoming you!
