Interview Skill Series (II): Case-Scenario Based Workshop

Are you ready to turn job applications into job offers? Join us for Interview Skills Workshop: Series (II), a small group, hands-on masterclass designed to help you tackle one of the most challenging phases of the hiring process.

What We Will Cover?

- Small Group Coaching: Benefit from instant and personalized coaching and feedback in small group, peer-to-peer settings
- Case Scenario Drills: Learn how to deconstruct complex business and legal problems, think on your feet, and structure your answers under pressure.
